

Your GAP claim has been accepted

We've reviewed the information you've provided and used industry recognised valuation guides to make sure we give you a fair market value for your vehicle.

The below table shows this value less any adjustments we need to make. To learn more about each adjustment click on the  icon.

Here's a full breakdown:

Vehicle valuation

Market value 	£5,161
--	--------

Deductions

Excess 	-£550
--	-------

Total deductions:	-£550
--------------------------	--------------

* The exact amount deducted can vary due to daily interest charges, usually by a few pence.

Your settlement

£4,611
